Mr. Courtney Smith  
*President*  
Investment Mentoring Institute  
Santa Monica, California

Dear Courtney,

Thank you very much for the generous donation of the Investment Mentoring Institute made on behalf of your students.

Sovereigns of the High Frontier Society is dedicated to the cause of educating individuals to help them achieve their personal goals of liberty and prosperity on the space frontier. We are using your funds to lease a manufactured housing unit and move it onto more appropriate land. In a few weeks, we'll send along some photos of the refurbished trailer with its classroom, library, and computer lab in place. We have also identified a dome for an observatory we are constructing, and should be able to acquire that, as well.

Thank you again for your magnanimous contribution. As Goethe noted, if you would make something happen, begin it. Commitment has power and magic within it!

Your commitment to the cause of education and the settlement of the high frontier has empowered us to do much more, faster. We are grateful.

Sincerely,

John Wiltbank
